DETAILED ACTION

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1-27 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Renzi et al '293.

The cited prior art of record in the previous communication discloses liquid glass forming composition from diallyl carbonate and diol mixture. It is Applicants' position that the cited prior art is different because "no single species, i.e., specific composition...falls within the weight percent range of polyol (c) in the mixture of aliphatic diol (B) and (C) of 5 to 20% by weight, or the molar ratio of A/B+C of 2.5/1 to 4/1". It is the Examiner's position that Applicants' argument is not convincing, and in this regard, Applicants' attention is herein directed to column 1, beginning with line 55 through column 2, line 12, and to claims 1 and 4 which clearly recite that the molar ratio (A)/(B+C) is equal to or higher than 3/1 (claim 1 recites 2.5/1 to 4/1), and the amount of (c) in the (B+C) mixture equal to, or lower than 70, preferably 20-60 as in claim 4 (claim 1 recites 5-20). Thus all the limitations of claim 1, and the remaining dependent claims are met by the disclosures of the cited prior art.

2. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 1711

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
